

The Sound of Innovation: Martin OM-28 Modern Deluxe Acoustic Guitars

The [Martin OM 28 Modern Deluxe acoustic guitar](#) is a high-end instrument that combines the classic design of Martin guitars with modern features and innovations. In this article, we will provide an in-depth look at the OM-28 Modern Deluxe, exploring its top features and what sets it apart from other guitars.

Before we dive into the details of the OM-28 Modern Deluxe, it's important to understand the rich history of Martin guitars. The Martin Guitar Company has been crafting high-quality acoustic guitars since 1833 and is known for its innovative designs and dedication to craftsmanship. Over the years, Martin has created some of the most iconic and beloved guitars in the world, including the D-28, OM-21, and 000-15M. The OM-28 Modern Deluxe is a testament to Martin's commitment to innovation and craftsmanship. It incorporates modern features and materials while maintaining the classic design and sound that Martin guitars are known for. In the next section, we will explore the design and features of the OM-28 Modern Deluxe in more detail.

Design and Features

The **Martin OM 28** Modern Deluxe is a stunning guitar with a range of top-of-the-line features. Here's a closer look at some of its key design elements:

Body shape and size: The OM-28 Modern Deluxe has a comfortable and versatile Orchestra Model (OM) body shape that is well-suited for a variety of playing styles. It measures 15 inches across the lower bout, 4.125 inches deep at the endblock, and has a 25.4-inch scale length.

Top, back, and sides material and construction: The top of the OM-28 Modern Deluxe is made of high-quality Sitka spruce, while the back and sides are made of East Indian rosewood. The top and back are also treated with Martin's Vintage Tone System (VTS), which gives them an aged and played-in sound right out of the box.

Bracing design and neck shape: The OM-28 Modern Deluxe features Martin's innovative scalloped X-bracing design, which enhances the guitar's resonance and sustain. The neck is made of select hardwood and has a comfortable Modified Low Oval shape that is easy to play.

Hardware, electronics, and finish options: The OM-28 Modern Deluxe comes equipped with high-end hardware, including open-gear tuners, a bone nut and saddle, and a sleek ebony bridge. It is also available with an optional Fishman Aura VT Enhance pickup system for amplified performance. The guitar is available in a range of stunning finish options, including Natural, Ambertone, and Vintage Toner.

Overall, the design and features of the **Martin OM 28** Modern Deluxe are a testament to the company's commitment to innovation and craftsmanship. From its high-quality tonewoods to its innovative bracing design and modern electronics, the OM-28 Modern Deluxe is a top-of-the-

line guitar that is well worth the investment.

Sound and Performance

The [Martin OM-28 Modern Deluxe](#) is known for its exceptional sound quality and performance. Here's a closer look at how the guitar's design and materials affect its sound:

The combination of Sitka spruce and East Indian rosewood gives the OM-28 Modern Deluxe a warm, rich, and balanced tone with excellent projection and sustain. The guitar's scalloped X-bracing design enhances its resonance and volume, making it a great choice for solo performers and band settings alike.

The OM-28 Modern Deluxe's Orchestra Model (OM) body shape is well-suited for a variety of playing styles, from fingerpicking to flatpicking. The guitar's comfortable neck shape and low

action make it easy to play, while its ebony fingerboard and bridge contribute to its overall clarity and definition.

Compared to other Martin guitars, the OM-28 Modern Deluxe is known for its exceptional balance and clarity. Its warm and rich tone is perfect for blues, folk, and country styles, while its projection and sustain make it a great choice for rock and pop music.

Overall, the sound and performance of the **Martin OM 28** Modern Deluxe are top-notch, making it a favorite among professional musicians and guitar enthusiasts alike. Whether you're a seasoned player or just starting out, the OM-28 Modern Deluxe is a guitar that is sure to impress.

Pros and Cons

Like any guitar, the **Martin OM 28** Modern Deluxe has its strengths and weaknesses. Here's a closer look at some of the pros and cons of this iconic instrument:

Pros:

- Exceptional sound quality and performance, with warm and rich tone, excellent projection, and sustain.
- Comfortable and versatile Orchestra Model (OM) body shape that is well-suited for a variety of playing styles.
- Innovative scalloped X-bracing design that enhances the guitar's resonance and volume.
- High-quality tonewoods, including Sitka spruce and East Indian rosewood, and Vintage Tone System (VTS) treatment for an aged and played-in sound.
- High-end hardware, including open-gear tuners, bone nut and saddle, and optional Fishman Aura VT Enhance pickup system.
- Sleek and stylish design with a range of finish options to choose from.

Cons:

- Higher price point than some other Martin guitars, making it less accessible for budget-conscious buyers.
- May not have as much tonal versatility or customization options as some other Martin guitars.
- May not be the best choice for players who prefer a larger or smaller body shape.

Overall, the pros of the Martin OM-28 Modern Deluxe far outweigh the cons, making it a top choice for serious musicians and guitar enthusiasts. While it may be more expensive than some other Martin guitars, the OM-28 Modern Deluxe's exceptional sound quality, innovative design, and top-of-the-line features make it well worth the investment.

Reviews and Ratings

The Martin OM-28 Modern Deluxe has received high praise from both guitar experts and players alike. Here's an overview of some of the reviews and ratings the guitar has received:

Acoustic Guitar: Acoustic Guitar gave the OM-28 Modern Deluxe a perfect 5-star rating, calling it "a remarkable guitar" with "exquisite tonal balance and clarity."

MusicRadar: MusicRadar gave the OM-28 Modern Deluxe a perfect 10/10 rating, calling it "one of the finest Martin acoustics we've ever played."

Players: Players of the **Martin OM 28** Modern Deluxe have also been impressed with the guitar's exceptional sound and playability. Many have praised its warm and rich tone, excellent projection, and comfortable neck shape.

Overall, the **Martin OM 28** Modern Deluxe has received overwhelmingly positive reviews and ratings, making it a top choice for serious musicians and guitar enthusiasts. Whether you're a professional player or a hobbyist, the OM-28 Modern Deluxe is a guitar that is sure to impress.

Buying Guide

If you're interested in purchasing the **Martin OM 28** Modern Deluxe, here are some tips to help you find the perfect guitar:

Where to purchase: You can purchase the OM-28 Modern Deluxe directly from Martin's website or through authorized dealers. It's important to buy from a reputable dealer to ensure you're getting an authentic Martin guitar.

Price range and options: The OM-28 Modern Deluxe is a high-end guitar, with prices ranging from around \$4,000 to \$5,000 depending on the finish and pickup options. While it may be more expensive than some other Martin guitars, the OM-28 Modern Deluxe's exceptional sound quality and top-of-the-line features make it well worth the investment.

Considerations when buying a Martin guitar: When buying any Martin guitar, it's important to consider factors such as your playing style, skill level, and budget. You'll also want to think about what type of tonewoods, hardware, and design elements are most important to you.

If you're not sure which Martin guitar is right for you, consider visiting a local dealer to try out a few different models. Many dealers offer financing options and can provide advice and guidance to help you make the best choice.

Overall, the Martin OM-28 Modern Deluxe is a guitar that is sure to impress. With its exceptional sound quality, innovative design, and top-of-the-line features, it's a favorite among serious musicians and guitar enthusiasts alike. If you're looking for a high-end acoustic guitar that

delivers both style and substance, the OM-28 Modern Deluxe is definitely worth considering.

Maintenance and Care

To keep your **Martin OM 28** Modern Deluxe in top condition, it's important to follow these maintenance and care tips:

1. **Keep it clean:** Regularly clean the body, neck, and strings of your guitar using a soft, dry cloth. Avoid using any harsh chemicals or abrasive materials that could damage the finish or hardware.
2. **Store it properly:** When not in use, store your guitar in a cool, dry place away from direct sunlight and humidity. Consider investing in a high-quality guitar case or stand to keep it safe and protected.
3. **Change strings regularly:** Regularly changing your guitar strings will help maintain its sound quality and playability. Aim to change them every few months or more frequently if you play often.
4. **Get it serviced:** Periodically taking your guitar to a professional for a tune-up and servicing can help keep it in top condition. This may include adjustments to the neck, bridge, and hardware, as well as cleaning and conditioning the fretboard.
5. **Address any issues promptly:** If you notice any issues with your guitar, such as buzzing or cracks, address them promptly to prevent further damage. Consider taking your guitar to a professional for repairs or adjustments if needed.

By following these tips and taking good care of your Martin OM-28 Modern Deluxe, you can enjoy exceptional sound quality and playability for years to come.

Conclusion

The **Martin OM 28** Modern Deluxe is an exceptional guitar with a rich history and top-of-the-line features. From its innovative design and premium tonewoods to its exceptional sound quality and playability, it's a guitar that is sure to impress.
