Martin D-28 Modern Deluxe Buying Guide

When buying a [Martin D 28 Modern Deluxe](#), there are several factors to consider to ensure you get the best deal and the perfect guitar for your playing needs. Here are some of the key factors to consider:

1. Condition: As with any used or new guitar, the condition of the Martin D-28 Modern Deluxe is important. Check for any scratches, dings, or damage to the body, neck, or headstock. Be sure to play the guitar to check for any buzzing or other issues.
2. Wood type: The **Martin D-28 Modern Deluxe** features a solid Sitka spruce top and East Indian rosewood back and sides. Consider the sound characteristics of these woods and whether they are suitable for your playing style and the type of music you play.
3. Neck shape: The Martin D-28 Modern Deluxe has a modified low oval neck shape with a high-performance taper, which is designed to provide comfort and easy playability. Make sure the neck shape and size feel comfortable for your hands and playing style.
4. Electronics: The Martin D-28 Modern Deluxe comes equipped with Fishman Aura VT Enhance electronics, which provides a natural and dynamic amplified sound. If you plan to play live or record, consider whether you need electronics and if the Fishman Aura VT Enhance is suitable for your needs.
5. Brand reputation: Martin is a well-respected and established guitar brand with a reputation for producing high-quality instruments. Consider the brand reputation and history when making your purchase.
6. Budget: The Martin D-28 Modern Deluxe is a premium guitar with a premium price tag. Consider your budget and whether the guitar is within your price range. If not, consider purchasing a used Martin D-28 Modern Deluxe or a different model that meets your needs and budget.

By considering these factors, you can ensure you find the perfect Martin D-28 Modern Deluxe for your playing needs and budget. Be sure to take your time and try out several guitars before making your purchase.

Martin D-28 Modern Deluxe Maintenance

Proper maintenance of your Martin D-28 Modern Deluxe guitar is essential to ensure its longevity and optimal performance. Here are some tips for taking care of your guitar:

1. **Keep it clean:** Regularly wipe down your guitar with a clean, dry cloth to remove dust and sweat. Use a slightly damp cloth to clean the fretboard, but make sure to dry it thoroughly afterwards. Avoid using abrasive cleaning agents or chemicals that can damage the finish or wood.
2. **Store it properly:** Store your guitar in a dry and cool place away from direct sunlight, extreme temperatures, and humidity. A hard-shell case is recommended for long-term storage, and you should avoid leaning your guitar against walls or furniture.
3. **Change strings regularly:** Old strings can sound dull and cause intonation issues. Change your guitar strings every few months, or more frequently if you play regularly.
4. **Adjust the truss rod:** Over time, changes in temperature and humidity can cause the neck to bow or warp, affecting the playability of the guitar. If you notice any issues with the action or intonation, consult a professional to adjust the truss rod.
5. **Keep it hydrated:** Martin guitars are made of solid wood, and changes in humidity can cause the wood to expand or contract, leading to cracking or warping. Use a humidifier in dry environments to maintain the optimal humidity level for your guitar.
6. **Check for damage:** Regularly inspect your guitar for any signs of damage or wear, such as cracks, loose parts, or warped wood. If you notice anything unusual, bring your guitar to a professional for repair.

By following these simple maintenance tips, you can keep your **Martin D-28 Modern Deluxe** in top condition and enjoy its beautiful sound for years to come.
